

Privacy Policy

Data Controller

This website collects some Personal Data from its Users. This document can be printed using the print command present in the settings of any browser. The data controller is:

- **Owner:** M. Olivari di Ida Olivari & C. sas, Via Bottaro, Santa Margherita Ligure (GE) 16038
- **VAT number:** 01138480999
- **Owner contact email:** molivarisas@libero.it

Types of Data collected

Among the Personal Data collected by this Application, either independently or through third parties, there are: name; last name; e-mail; Tracking Tool; Usage data.

Complete details on each type of data collected are provided in the dedicated sections of this privacy policy or through specific information texts displayed before the data is collected.

Personal Data may be freely provided by the User or, in the case of Usage Data, collected automatically during the use of this Application.

Unless otherwise specified, all data requested by this application are mandatory. If the User refuses to communicate them, it may be impossible for this Application to provide the Service. In cases where this Application indicates some Data as optional, Users are free to refrain from communicating such Data, without this having any consequence on the availability of the Service or on its operation.

Users who have doubts about which data are mandatory are encouraged to contact the owner.

Any use of Cookies - or of other tracking tools - by this Application or by the owners of third party services used by this Application, unless otherwise specified, has the purpose of providing the Service requested by the User, in addition to further purposes described in this document and in the Cookie Policy, if available.

The User assumes responsibility for the Personal Data of third parties obtained, published or shared through this Application and guarantees to have the right to communicate or disseminate them, freeing the Owner from any liability to third parties.

Method and place of processing of the collected Data

Processing methods

The Data Controller adopts the appropriate security measures aimed at preventing unauthorized access, disclosure, modification or destruction of Personal Data.

The processing is carried out using IT and / or telematic tools, with organizational methods and with logic strictly related to the purposes indicated. In addition to the Data Controller, in some cases, other subjects involved in the organization of this Application (administrative, commercial, marketing, legal, system administrators) or external subjects (such as suppliers of third party technical services, postal couriers) may have access to the Data. hosting providers, IT companies, communication agencies) also appointed, if necessary, as Data Processors by the Data Controller. The updated list of Managers can always be requested from the Data Controller.

Legal basis of the processing

The Data Controller processes Personal Data relating to the User if one of the following conditions exists:

- the User has given consent for one or more specific purposes; Note: in some jurisdictions the Data Controller may be authorized to process Personal Data without the User's consent or another of the legal bases specified below, as long as the User does not object ("opt-out") to such treatment. However, this is not applicable if the processing of Personal Data is governed by European legislation on the protection of Personal Data;
- the processing is necessary for the execution of a contract with the User and / or for the execution of pre-contractual measures;
- the processing is necessary to fulfill a legal obligation to which the Data Controller is subject;
- the processing is necessary for the execution of a task of public interest or for the exercise of public authority vested in the Data Controller;
- the processing is necessary for the pursuit of the legitimate interest of the Data Controller or third parties.

However, it is always possible to ask the Data Controller to clarify the concrete legal basis of each treatment and in particular to specify whether the treatment is based on the law, provided for by a contract or necessary to conclude a contract.

Place

The Data is processed at the Data Controller's operating offices and in any other place where the parties involved in the processing are located. For more information, contact the owner.

The User's Personal Data may be transferred to a country other than that in which the User is located. To obtain further information on the place of processing, the User can refer to the section relating to the details on the processing of Personal Data.

The User has the right to obtain information regarding the legal basis for the transfer of Data outside the European Union or to an international organization governed by public international law or consisting of two or more countries, such as the UN, as well as regarding the security measures adopted by the Data Controller to protect the Data.

The User can check if one of the transfers described above takes place by examining the section of this document relating to the details on the processing of Personal Data or requesting information from the Data Controller by contacting him at the indicated details opening.

Retention period

The Data are processed and stored for the time required by the purposes for which they were collected.

Therefore:

- Personal Data collected for purposes related to the execution of a contract between the Owner and the User will be retained until the execution of this contract is completed.
- Personal Data collected for purposes related to the legitimate interest of the Data Controller will be retained until this interest is satisfied. The User can obtain further information regarding the legitimate interest pursued by the Data Controller in the relevant sections of this document or by contacting the Data Controller.

When the processing is based on the User's consent, the Data Controller may keep the Personal Data longer until such consent is revoked. Furthermore, the Data Controller may be obliged to keep Personal Data for a longer period in compliance with a legal obligation or by order of an authority.

At the end of the retention period, the Personal Data will be deleted. Therefore, at the end of this term the right of access, cancellation, rectification and the right to data portability can no longer be exercised.

Purpose of the processing of the data collected

The User Data is collected to allow the Owner to provide the Service, comply with legal obligations, respond to requests or executive actions, protect their rights and interests (or those of Users or third parties), identify any malicious or fraudulent activity, as well as for the following purposes: Contacting the User, Statistics, Displaying content from external platforms, Tag Management and Content and functionality performance tests (A / B testing).

To obtain detailed information on the purposes of the processing and on the Personal Data processed for each purpose, the User can refer to the section "Details on the processing of Personal Data".

Details on the processing of Personal Data Personal

Data are collected for the following purposes and using the following services:

Contact the User Contact

form (this Application)

The User, by filling in the contact form with his / her Data, consents to their use to respond to requests for information, quotes, or any other nature indicated by the form header.

Personal Data processed: surname; e-mail; first name; phone.

Interaction with live chat platforms

This type of service allows you to interact with live chat platforms managed by third parties, directly from the pages of this Website, in order to be able to contact and be contacted by the support service of this Website.

Google Optimize (Google Ireland Limited)

Google Optimize is an A / B testing service provided by Google Ireland Limited ("Google").

Google may use the Personal Data to contextualize and personalize the advertisements of its advertising network.

Personal Data processed: Usage data; Tracking Tool.

Place of processing: Ireland - [Privacy Policy](#).

Google Optimize 360 (Google Ireland Limited)

Google Optimize 360 is an A / B testing service provided by Google Ireland Limited ("Google").

This service allows the Owner to target groups of Users based on their past use of this Application. Users who [disable](#) tracking by Google Analytics will not be included in the experiments created within Google Optimize 360.

Google may use Personal Data to contextualize and personalize the advertisements of its advertising network.

Personal Data processed: Usage data; Tracking Tool.

Place of processing: Ireland - [Privacy Policy](#).

Viewing content from external platforms

This type of service allows you to view content hosted on external platforms directly from the pages of this Application and interact with them.

This type of service may still collect data on web traffic relating to the pages where the service is installed, even when users do not use it.

Google Fonts (Google Ireland Limited)

Google Fonts is a font style visualization service managed by Google Ireland Limited that allows this Application to integrate such contents within its pages.

Personal Data processed: Usage data; various types of data as specified in the privacy policy of the service.

Place of processing: Ireland - [Privacy Policy](#).

Font Awesome (Fonticons, Inc.)

Font Awesome is a font style visualization service managed by Fonticons, Inc. that allows this Application to integrate such contents within its pages.

Personal Data processed: Usage data.

Place of processing: United States - [Privacy Policy](#).

User rights

Users can exercise certain rights with reference to the data processed by the owner.

In particular, the User has the right to:

- **withdraw consent at any time.** The User can revoke the consent to the processing of their Personal Data previously expressed.
- **oppose the processing of their data.** The user can oppose the processing of their data when it occurs on a legal basis other than consent. Further details on the right to object are indicated in the section below.
- **access their data.** The user has the right to obtain information on the data processed by the owner, on certain aspects of the processing and to receive a copy of the data processed.
- **verify and request rectification.** The User can verify the correctness of his / her Data and request its updating or correction.

- **obtain the limitation of the treatment.** When certain conditions are met, the User may request the limitation of the processing of their Data. In this case the Data Controller will not process the Data for any other purpose than their conservation.
- **obtain the cancellation or removal of their Personal Data.** When certain conditions are met, the User can request the cancellation of their Data by the Owner.
- **receive their data or have them transferred to another owner.** The User has the right to receive his / her Data in a structured format, commonly used and readable by an automatic device and, where technically feasible, to obtain its unhindered transfer to another owner. This provision is applicable when the Data is processed with automated tools and the processing is based on the User's consent, on a contract to which the User is a party or on contractual measures connected to it.
- **propose a complaint.** The User can lodge a complaint with the competent personal data protection supervisory authority or take legal action.

Details on the right to object

When Personal Data are processed in the public interest, in the exercise of public authority vested in the Data Controller or to pursue a legitimate interest of the Data Controller, Users have the right to oppose the processing for reasons connected to their particular situation.

Users are reminded that, if their Data are processed for direct marketing purposes, they can oppose the processing without providing any reasons. To find out if the Data Controller processes data for direct marketing purposes, Users can refer to the respective sections of this document.

How to exercise the rights

To exercise the rights of the User, Users can direct a request to the contact details of the Owner indicated in this document. Requests are filed free of charge and processed by the Data Controller as soon as possible, in any case within one month.

Cookie Policy

This Application uses Tracking Tools. To find out more, the User can consult the [Cookie Policy](#).

Further information on treatment

Defense in court

The User's Personal Data may be used by the Owner in court or in the preparatory stages for its eventual establishment for the defense against abuse in the use of this Application or related Services by the User .

The User declares to be aware that the Owner may be obliged to disclose the Data by order of the public authorities.

Specific information

At the request of the User, in addition to the information contained in this privacy policy, this Application may provide the User with additional and contextual information regarding specific Services, or the collection and processing of Personal Data.

Systemand maintenance

logsFor needs related to operation and maintenance, this Application and any third party services used by it may collect system logs, which are files that record the interactions and which may also contain Personal Data, such as the User IP address .

Information not contained in this policy

Further information in relation to the processing of Personal Data may be requested at any time from the Data Controller using the contact details.

Response to "Do Not Track" requests

This Application does not support "Do Not Track" requests.

To find out if any third-party services used support them, the User is invited to consult the respective privacy policies.

Changes to this privacy policy

The Data Controller reserves the right to make changes to this privacy policy at any time by notifying Users on this page and, if possible, on this Application as well as, if technically and legally feasible, by sending a notification to Users through one of the contact details in its possession. Please therefore consult this page frequently, referring to the date of the last modification indicated at the bottom.

If the changes concern treatments whose legal basis is consent, the Data Controller will collect the User's consent again, if necessary.

Definition and legal references

Personal Data (or Data)

Any information that, directly or indirectly, also in connection with any other information, including a personal identification number, makes a natural person identified or identifiable.

Usage Data
